A Digital Signage advertisement is a 10 seconds long Flash movie, the Flash advertisement will play rotationally in all Digital Signage locations.

First time subscriber of the Digital Signage has up to 3 revisions on initial advertisement design.

Subscribers who want to use their own clips are welcome to do that. To obtain advertisement format and specification, please refer to the Specification section on page 4.

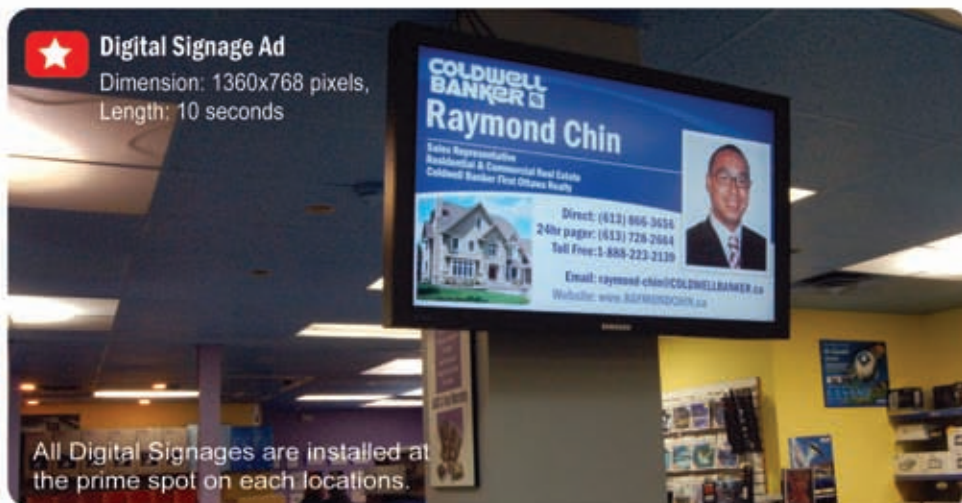

◇ Subscription of 6 months digital signage advertisement includes 1 time content modification with up to 3 revisions, the subscriber can use it to change the message which deliver to their customers.

◇◇ Subscription of 12 months digital signage advertisement includes 3 times content modification with up to 3 revisions, the subscriber can use it to change the message which deliver to their customers.

*Price, terms and conditions are subjected to change without notice.

The Benefits

- ★ Advertise your business locally at 8 different locations in the same time, and our Digital Signage locations are growing.
- ★ Digital Signages are located at high traffic area, (e.g. popular stores & restaurants) that helps your business reach the heart of the community.
- ★ Boost your sales, streamline the process to introduce your service to potential customer.
